## HOW DO I GET INVOLVED?

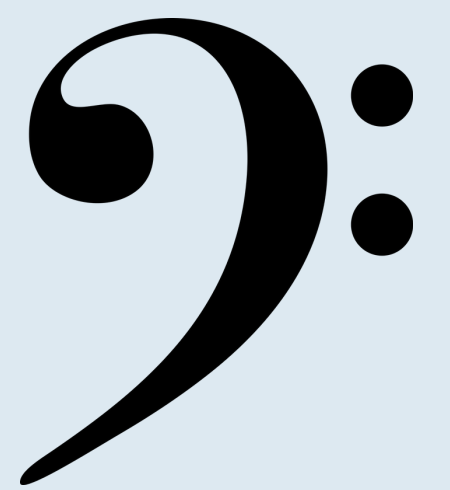

In GU Choirs, **everyone** has a voice. If you want to sing, whether you are new or experienced, there is a guaranteed place for you here.

We do not have auditions but instead have a **choral placement**. This is an opportunity for you and the conductor to get to know each other. This process helps identify your voice part/range and the ensemble that best matches you.

**YOU CAN SIGN UP FOR A  
PLACEMENT TIME AT THE PICNIC!**
